Biography

OF THE LATE MRS. SELINA DARKEY

Those who walk uprightly enter into peace; They find rest as they lie in death. Isaiah 57: 2.

Darkey Selina was born on 12th January 1978 at St. Martin's Hospital, Agormanya. She began her education at Koryire R/C Primary School (Neighbouring Village of Klo-Agogo) and continued to Klo Agogo R/C Junior High School. After completing JHS, she joined her father in Accra, where life's journey took a turn, she became pregnant and returned to Somanya. After staying in Somanya for a while, she later moved back to Koryire, where she welcomed her first child in 1996.

Following the birth of her child, she moved back to Somanya for a short period before returning to Accra in 2005. There, she worked diligently as a house help for over six years before starting her own food business. Her dedication and hard work made her decide to remain in Accra. She lived a good and healthy life until she became pregnant again and gave birth to her second child in 2013.

Two years after her second child's birth, she began experiencing health challenges in her stomach, where she underwent her first operation at the Regional Hospital in Koforidua. By God's grace, she regained strength and resumed work, although not as actively as before. She later switched to selling school bags and other goods due to her health limitations. Over time, her condition worsened, and she frequently visited home as she was unwell.

On 8th April 2025, she called home from Accra, requesting to be taken to the hospital because her condition had become critical. She was admitted to Tetteh Quarshie Memorial Hospital for over a week before being transferred to the Regional Hospital in Koforidua on 18th April. Initially, it was suspected to be a recurrence of her previous stomach condition, but further examinations revealed a kidney infection. She underwent various treatments, including dialysis, for over three weeks before being discharged on 10th May.

She stayed with us in Somanya for another three weeks, and we hoped all was well. Sadly, in the early hours of 11th June, at about 1:30 am, she began complaining of severe chest pain, believed to be a heart attack. We rushed her to St. Martin's Hospital in Agormanya, where, despite all efforts, she peacefully departed this earth in the early hours of Saturday, 14th June 2025.

Her life was a testament to strength, endurance, and love. Through challenges and pain, she stood resilient and worked tirelessly for everyone around her. Her kindness, sacrifice, and unwavering spirit will remain forever in our hearts. We take comfort in knowing she is now at rest in the arms of the Lord.

Kpomo! Kpomo!! Kpomo!!!

FARE THEE WELL
TILL WE MEET AGAIN
REST IN PEACE!

Tribute by Children

*And God shall wipe away all tears from the eye,
and there shall be no more death nor sorrow
(Revelation 21:4). This is our consolation.*

Today, we gather with heavy hearts to honor the life of an incredible woman Darkey Selina our beloved mother, who has gone to be with the Lord.

It is difficult to put into words what her absence feels like. Her passing has left a deep void in our lives, and now it is just the two of us—my younger brother and I walking forward with only her memory to guide us. But what a powerful memory it is.

Darkey Selina was more than a mother she was our home, our shield, our teacher, and our greatest gift. Her love knew no bounds, and her sacrifices were countless. Through every hardship, she stood strong, always putting us before herself. She gave us everything she had, and more.

She taught us to be kind, respectful, and to never give up no matter how hard life gets. She raised us with wisdom and with a faith that was unshakable. In her own quiet, graceful way, she showed us the meaning of strength, humility, and true love.

Though she has left this earthly life, we carry her with us in our hearts, our thoughts, our prayers, and in every step we take. The lessons she taught, the love she gave, and the prayers she whispered over us will never be forgotten.

We will miss her forever. But we take comfort in knowing she is resting peacefully in the arms of her Maker, free from pain and sorrow.

Mom, we love you deeply. You were everything to us, and we will never stop missing you. We promise to stand strong together, just as you would have wanted.

***REST WELL SWEET MUM!
TILL WE MEET AGAIN!!***

**With endless love,

Tribute By Mother

*The Lord is my light and my salvation; whom shall I fear?
The stronghold of my life; of whom shall I be afraid. (Psalm 27:1)
This is my consolation.*

My dear Selina,
From the moment you came into this world on 12th January 1978 at St. Martin's Hospital, you brought me joy beyond measure. You were not just my daughter, but my pride, my hope, and my gift from God. Watching you grow was a blessing, your laughter, your determination, and your gentle spirit filled my heart with gratitude.

Life was not always easy for you, yet you faced every challenge with courage and strength. Even when the journey turned difficult, you never gave up. You worked tirelessly, you sacrificed, and you poured all your love into your children. As a mother, it broke my heart to see you suffer in pain, but I was always proud of how bravely you carried yourself. You were a true fighter, Selina.

I will always remember your kindness, your humility, and the way you cared for those around you. Your life was short, but it was meaningful. You taught us all how to endure with faith, how to love without condition, and how to remain strong even in weakness.

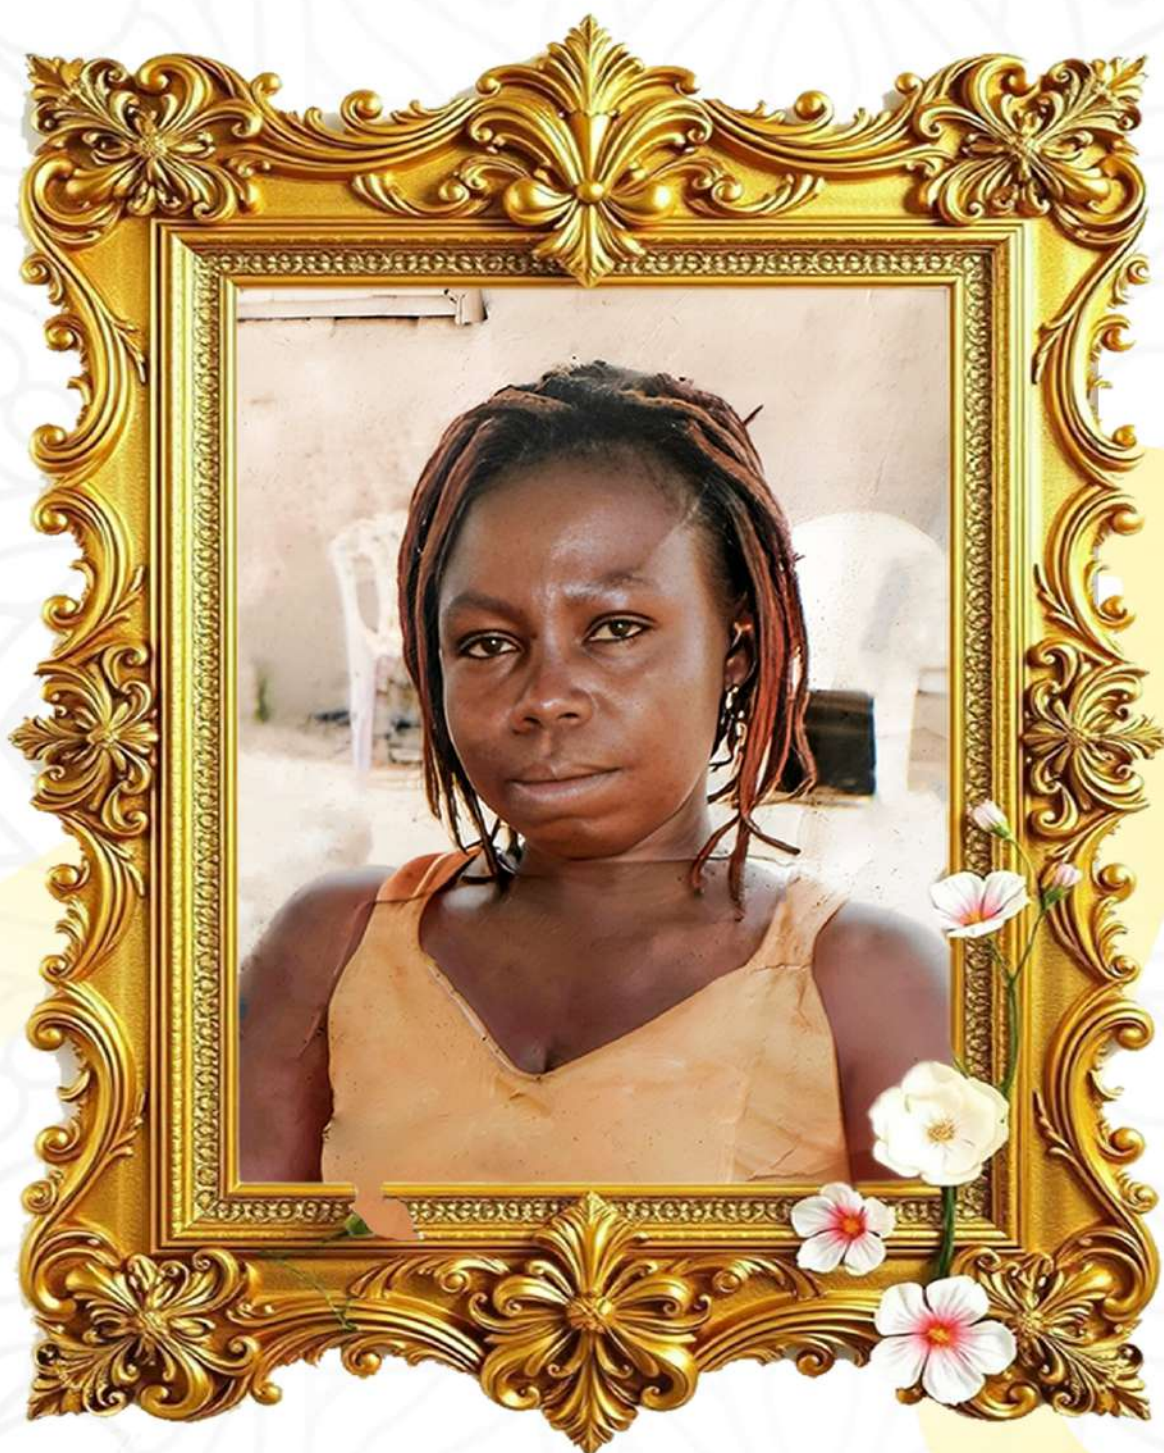

Selina, my heart is heavy knowing I will not hear your voice again or see your smile.

No mother ever wishes to lay her child to rest. But I take comfort in knowing you are now free from pain, resting peacefully in the arms of the Lord. Though I grieve, I am also thankful, for the years I had with you, for the memories you left behind, and for the love that will never fade.

***Rest well, my beautiful daughter.
You will always live in my heart, until we meet again.***

**With love,
Your Mother.**
